Treble Songs | Harmony

Harmony - Two or more notes that sound good together. After you learn both of these songs try playing both at the same time with a friend to create a simple harmony.

Whole Note - Play the note for 4 beats

1. Up and Down

2. Back and Forth

Treble Songs | C Scale

Whole Note - Play the note for 4 beats

Remember, the low C is fingered this way. Just walk up after that. Slow air and cover those holes. Have a friend play the scale when they get to the "E" (star) you start at the beginning with "C". That's called a **round**.
